

# Title I Home School Compact

As parents or guardians, I (We) will:

- Strive each day to make my child my number one priority
- Create an environment at home so my child understands that living in a group whether it be a family or a classroom, requires a standard of behavior, cooperation, and consequences for accepting ones actions
- Model respect by going to the teacher first about any concerns
- Strive to send a well-nourished, well-rested, and well-loved child to school each day
- Show interest in my child's education by asking questions, being involved, helping with homework, being aware of what goes on at school, supporting school activities, and monitoring home activities that may interfere with progress in school
- Set an example for my child by being a life-long learner

\*(I agree that this was discussed at parent-teacher conference)

As professional educators, the Title I staff and classroom teachers will:

- Provide the student with a quality curriculum and research-based practices that will allow them to become independent learners
- Support parents as lifelong learners by providing appropriate resources and learning opportunities
- Provide a safe, positive, well-managed environment where all children are treated fairly with respect and compassion
- Continue to be lifelong learners and be knowledgeable of current best practices in the field of education

\*(I agree that this was discussed at parent teacher conference)

As a student I will:

- Attend school regularly and take responsibility to make up work missed when I am absent
- Participate actively in my classroom and complete and return my assignments
- Do my best work and keep trying even when the work is hard
- Ask questions and get help when I do not understand
- Practice strategies I learn in all academic areas
- Treat all members of the school community and their property with respect
